## SHANNON TAYLOR

REGISTERED MASSAGE THERAPIST  
RMT

**Shannon Taylor**, a former Sutherland and Carson Graham student, is a Registered Massage Therapist. She earned her certificate in Massage Therapy at Medix School in London, Ontario.

During her studies, she lent her massage skills to participating athletes in several community outreaches including Rona MS Bike Tour, Run for the Cure (24 hour Relay), and a Run for Juvenile Diabetes. After obtaining her Massage license, Shannon worked for a **multi-disciplinary clinic**, providing relaxation and therapeutic oriented treatments.

Shannon loves dance, starting ballet at 5 and competing since age 11. She was selected to perform in Disneyland and California Adventure, as well as in the "Stars at Sea" program with the Royal Caribbean Cruise Line. She successfully completed all graded **Royal Academy of Dance** ballet examinations.

No stranger to injury, Shannon realizes the importance of proper ergonomics and rehabilitation. Her love for ballet fueled her interest in anatomy, sports medicine and massage therapy. She looks forward to working with patients at our Deep Cove and North Shore Winter Club locations.
